9h35	9h55	Setting the scene	European Commission - DG ENV	Wolfgang Trunk	What is at stake and which ambitions for Europe
9h55	10h10		Plastics Europe	Alexander Röder	Plastic Recycling context for Industry
10h10	10h25		CNRS / Un.Cote d'Azur	Nathalie Lazaric	Dynamics of innovation in the plastic industry- the difficult trade off between reducing and recycling
10h25	10h40	Q&A			
10h40	11h00	Break			
11h00	11h15	From Research to the Market	CNRS	Khalid Lamdawar	Fundamental research to address plastic recycling challenges with french PEPR program
11h15	11h45		CEA	Claire Gauthier / Pierre Piluso / Marie Kobylarski	CEA technologies for mixed polymer waste recovery
11h45	12h05		KIT	Dieter Stapf	Recent Advances in Chemical Recycling of Mixed Plastics Wastes
12h05	12h25		IFPEN	Frederic Feugnet /Frédéric Favre	From Lab to Market: RewindPET's Journey
12h25	12h45		Axens	Stephane Fedou	Advanced recycling industrial projects : Achievements and Main Hurdles
12h45	13h00	Q&A			
13h00	14h00	Lunch break			
14h00	14h15	Regulations and Public Policies, key issues to the rise of an advanced plastics recycling European industry	IFPEN	Thierry Gauthier	Regulatory framework for a rational development of advanced plastic recycling sector
14h15	14h30		IPC	G.Dennler	Strengthening Market Integrity for Recycled PET Through Cross-border Traceability
14h30	15h20		round table	A.Parenty	Round table with Wolfgang Trunk (DG ENV), Stéphane Fedou (Axens), Alexander Röder (Plastics Europe), Gilles Dennler (IPC), Thierry Gauthier (IFPEN)
15h20	15h40	Break			
15h40	15h55	The paramount role of Europe to finance the innovation and the industrialisation of the plastics recycling sector	MESR	Maxime Doods	The European funding instruments available for an innovative sector such as Advanced plastics recycling
15h55	16h55		round table	B.Fillon	Round table with Patrick Vuillermoz (Polymeris), Massimiliano Picciani (Bpifrance), Joao Serrano Gomes (DG CLIMA), Myriam Tryjefaczka (EuPC)
16h55	17h00	Closure	IFPEN	A.Baudot
